V E N U E S

Set amongst the vines, 'The Stables' building is historic and charming in character, surrounded by lush garden and lawn areas.

'The Woolshed' dates back to 1867 when it was commissioned on the site by Coonawarra founder John Riddoch. In the early 1890's Riddoch planted grapevines and his first commercial vintage was conducted in the historic Woolshed at Katnook. This building still stands as the barrel hall today, featuring a basket press and transforms into a rustic and elegant event space.

With our full range of award winning wines and gourmet food from the regions finest caterers we are confident your experience with Katnook will be most memorable.

We look forward to helping you create your special occasion.
