

John Whiteley

CIVIL MARRIAGE CELEBRANT

Hello and welcome,

If you are looking for a celebrant who believes in the values of love and marriage, has a professional approach and a good sense of humour?

Your search has found him!

As a registered Marriage Celebrant, I am passionate about my profession and it would be a pleasure to assist you in creating your special day. It is my wish that your wedding day is a happy and joyous occasion, something to cherish forever as you begin your "adventure of a lifetime".

I am based in Mount Gambier, however, when required, happily travel to all areas.

Whether you decide to have a small intimate gathering, or a large ceremony, I will work with you to create something as personal and individual as you are.

I look forward to meeting you to discuss my services, and all other aspects relating to your "big day".

Kind regards,

John Whiteley
