## CAKE DECORATING

Your wedding cake is an important feature of your special day. Let June Jones customise your cake to the theme of your celebration as well as having the imagination and attention to detail to create the wedding cake of your dreams.

A member of the South Eastern Cake Designers group and 30 years of cake decorating experience, June can make a variety of cakes to portray your theme be it contemporary, classic or creative. All cakes are homemade with a variety of delicious flavours to choose from.

If required, June can deliver your wedding cake, and she also supplies knife spray as part of your wedding package.

*June will create the wedding cake of your dreams that reflects your unique personality and style within your budget.*
